

NESSO NATURAL FALLS

The tour foresees to go up the branch of the Lake Como, to reach the point of Bellagio and Nesso to admire the beautiful natural waterfall called "Orrido di Nesso" entering inside it. The orrido is formed by the confluence of the two streams Tuf and Nosè, which, falling between the rocks, form a steep waterfall. The difference in height from the beginning of the waterfall to the waters of the lake is about 200 metres. The Orrido had also attracted the attention of Leonardo Da Vinci, we can find a quote in the Atlantic Codex: "Nesso, terra dove cade un fiume con grande empito, per una grandissima fessura di Monte" (Nessus, land where a river falls with great impetus, through a great fissura di Monte). The navigation will allow you to see the most beautiful and famous villas of Lake Como such as Villa Balbianello, Villa Carlotta, Villa Melzi, Villa La Casinella, with the possibility to stop in 2 places of your choice.
